Bringing Vision Within Reach

Community Eye Camp Organized at Santipalli, Saheed Nagar - Bhubaneswar

Care Netram takes steps to bring eye care services directly at Santipalli, Saheed Nagar, where eye care services are limited.

Our fully equipped, state-of-the-art refractive vans, staffed by highly trained professionals and support staff, brings eye care services directly to the doorsteps of these underserved communities.

45+ individuals received free eye check-ups, **30+** found clarity in vision with affordable glasses.

Eye Screening Done For Beneficiaries At Vikash Foundation, Non-Governmental Organization, Bhubaneshwar

Care Netram team reached at the [Vikash Foundation, Non-Governmental Organization, in Bhubaneshwar](#) to provide comprehensive eye screening services to the beneficiaries in need.

During this initiative, a total of **45+** beneficiaries were screened. They received comprehensive eye examinations. Among the beneficiaries screened, **8+** individuals were identified to be in need of cataract surgery.

Our sincere gratitude to the dedicated volunteers and supporters whose unwavering commitment made this initiative possible.

Eye Care For Women Leaders Working For Economic & Women Health Development

In the heart of Baunsa Bania, G.P Oupada Block, Balasore, a dedicated group of individuals are lighting the path to progress. Comprising staff members from Mission Shakti, including CRP, MBK, ASHA, and SHG women leaders, these passionate individuals are tirelessly working towards the economic and women's health development of their society.

Their collaboration with Care Netram amplifies the impact, as they bring awareness about the importance of eye health directly to the doorsteps of their fellow community members.

Through personal interactions, we share valuable information about eye health, ensuring that no one is left behind in their pursuit of clear vision and improved quality of life.

A Beacon of Hope

Clear Eyesight Restores Hope & Independence
of Kousalya Patra

Beneficiary Name:

Kousalya Patra,
A passionate reader

Age:

67 years

Place:

Khajuria Pada, Khordha,
Odisha

“

I was very fond of reading books and Puranas, however, poor eyesight made me dependent on others. I had to wait for someone to read to me. Thanks to Care Netram, they offered me free eye check up and glasses that I could afford. So happy to be able to read and write again. God Bless Care Netram Team.

”

Care Netram Ventures Into India's Remote Frontiers

We extended our eye care services to Karadega, Sundargarh a remote village in Odisha. There is no eye hospital nearby, leaving them with limited access to eye care services. In their busy lives, they had struggled to prioritise proper care for their eyes.

Prior to the eye camp, our dedicated team visited the village, spreading awareness about various eye problems through door-to-door leafleting and announcements.

Hundreds of people from the locality got their eyes checked and received affordable eye wear to support their vision.

Towards A New Dawn

Beneficiary Name:

Sunanda Bhuisal,
A Farmer

Age:

62 years

Place:

Giringkela, Village in
Odisha

Sunanda Bhuisal is a farmer by profession who spends most of his time at the fields growing crops. However, age was not by his side when he started facing visionary problems. He continued working with great difficulty to sustain his life.

However, his days of agony was gone as he encountered Care Netram team at eye camp. He was offered free eye testing and affordable eye wear. His smiles were returned as he could see the field clearly with good vision glasses.

“

Thank you Care Netram, I can now see and work properly in the fields.

”

Care Netram Inaugurated Its 5th Vision Centre At Nayagarh

We are proud to announce the establishment of a permanent eye care facility in Nayagarh, Odisha, dedicated to providing comprehensive and affordable vision care services to the community.

At the Nayagarh Vision Care Center, individuals from all walks of life can access free eye tests, enabling early detection of any vision-related issues.

Our team of skilled professionals utilizes state-of-the-art equipment and follows rigorous protocols to deliver accurate diagnoses and personalized recommendations for each patient.

Product Training By Essilor Group, World Leader In The Ophthalmic Industry

Essilor has taken an initiative to provide comprehensive product training for our vision center staffs.

Essilor's product training program is designed to equip vision center staff with the necessary skills and insights to provide optimal vision solutions to their patients. By delving deep into the technical aspects of eyewear products, staff members gain a profound understanding of the cutting-edge technologies and innovations that Essilor offers.

With Essilor's product training program, vision centers are transformed into centers of excellence. We are thankful for their time & effort.

Our Impact Through Permanent Vision Care Centres

A Heartwarming Story of Eye Care and Joyful Impact

Customer Name: Sunil Patnaik,
a class 2 student

Age: 5 years

Sunil Patnaik, a vibrant four-year-old studying in standard 2, visited our vision center accompanied by his father. Concerned about Sunil's excessive exposure to mobile screens due to online classes, his father sought protective eyewear for his son.

Recognising the importance of safeguarding his eyes from blue light, we explained the benefits of blue light protection lenses. Impressed by the information, Sunil's father placed an order for the lenses at an affordable price, and as a token of appreciation, we gifted Sunil a special mug.

His face lit up with joy, and his happiness was palpable.

A Government Employee Finds Visual Comfort

Customer Name: Kali Charan Behera, a government employee
Age: 42 years

A dedicated government employee approached our vision center seeking assistance with his computer-related visual challenges. We conducted a thorough and complimentary eye test for him, identifying a near vision power issue.

We recommended progressive glasses tailored to his needs. He placed an order, and within three days, he received his customized glasses at an affordable price.

The level of satisfaction and happiness he expressed with our service was truly gratifying.
