BRINGING CLEAR SIGHT TO ALL

Extending Accessible & Affordable Vision Care Across India

Eye Camp Conducted at Gajapati District of Odisha

Care Netram, in collaboration with Banshadhara Pathagara and with the invaluable support of Alok Chandra Patra, organized a remarkable eye camp in Kashi Nagar, Gajapati. The event witnessed the presence of esteemed guests, including G. Tirupati Rou (Chairman), Asish Pradhan (Tahsildar), and Susanta Sahoo (IIC), who inaugurated the camp.

With a strong commitment to providing comprehensive eye care, the camp successfully screened a total of **60+ beneficiaries** and **25+ eye wears** were thoughtfully distributed to those requiring corrective eyewear.

AWARENESS CAMPAIGNS

Educating And Empowering People About Vision Health

We believe that knowledge is the key to preserving and improving one's eyesight. Through various initiatives, we aim to raise awareness about the importance of regular eye care, early detection of eye conditions, and the adoption of healthy vision practices

We strive to reach individuals from all walks of life, including schools, communities, and workplaces, to ensure that no one is left uninformed about the significance of taking care of their eyes.

CARE NETRAM ON WHEELS

Bringing Eye Care Services To The Doorstep Of Rural India

Accessibility can be a major barrier to receiving essential eye care, especially for those in remote areas or with limited mobility.

That's why we have taken the initiative to bring our comprehensive eye care services directly to communities, ensuring that no one is left behind.

Our mobile vision care vans are fully equipped with advanced diagnostic tools and equipment, allowing us to conduct thorough eye examinations, screenings, and assessments on-site.

REACHING OUT TO THE REMOTEST CORNERS — OF INDIA —

"The joy of enabling people to see the world clearly, who were once deprived of this simple yet profound gift, is immeasurable." - Care Netram Team

It has been an incredible experience for Care Netram to reach the unreachable areas in India and enable people with clear vision. To serve the needy with quality and affordable eye wears while making them capable of earning & living an independent life.

Affordable Solutions To Visionary Problems Amongst The Needy.

Our Initiative:

- Affordable Eyewear: Making Quality Glasses Accessible to All.

STORIES OF TRANSFORMED LIVES

Testimonials From Our Happy Beneficiaries From
Community Eye Camp & Vision Centres

PAINTING A BRIGHTER FUTURE FILLED WITH HOPE, POSSIBILITY, — AND RESTORED VISION —

Beneficiary Name:
Jitendra Singh,
a 55-year-old welder

**"Thank You Care Netram for helping me gain back clear vision.
I can now work efficiently"**

- Jitendra Singh

Jitendra Singh, a 55-year-old welder had been enduring a life of hardship and challenges while working with gas cylinders. His once clear vision had gradually become blurry, making his daily tasks increasingly difficult.

To Jitendra's joy and relief, the optometrists at Care Netram Community Eye Camp recognized his urgent need for vision correction. We presented him with a pair of high-quality eyewear perfectly suited to address his specific visual needs.

The moment Jitendra put on his new glasses, a profound transformation swept over him. The burden of uncertainty was lifted from his shoulders, and a renewed sense of confidence and purpose took its place. Today, he remains grateful to Care Netram Team.

RECLAIMING THE SIGHTS OF LIFE: RESTORED VISION AND A —— NEW PERSPECTIVE ——

Beneficiary Name:
Sukrodevi,
70 Year Old Fruit Seller

"This is like a miracle, I am truly grateful to Care Netram"

- Sukrodevi

Sukrodevi, earns a bare minimum by selling fruits to her customers in the heart of Tatisilibey village. However, age was not by her side and she started facing visionary problems.

Thankfully she heard of Care Netram Eye Camp in her locality and visited the camp to get her eyes tested. Her eyes were examined thoroughly, revealing the underlying cause of her vision troubles—distance Power.

Care Netram, driven by its commitment to providing affordable solutions, offered Sukrodevi a pair of their locally made Good Vision Glasses.

As Sukrodevi put on the glasses, a kaleidoscope of colors burst into her world. The vibrant hues of the fruits she had sold for years seemed to come alive, revealing their true lusciousness. Overwhelmed with gratitude, Sukrodevi's eyes welled up with tears of joy. The world had suddenly become clearer, and a newfound sense of wonder washed over her.
