

CARE NETRAM: PARTNERING UP FOR MAJOR IMPACT

Creating synergy with organizations working towards the same goal

- Uplifting the lives of **visually impaired**
- Enduring difference in the lives of **lower-income communities**

Better **Vision** | Better **Life**

REACHING THE UNREACHABLE

India is home to 62 million visually impaired people, among which eight million are blind. Cataract formation in eyes alone accounts for nearly half of this. Visual problems intensify helplessness and increase dependency on others, especially among the financially weaker sections of society. Some rural regions of India lack affordable eye treatment and limited eye care facilities.

India is in need to encourage even faster and precision-based systems.

Therefore Care Netram:

- Offers affordable eye care facilities through Care Netram vision centres
- Gives special attention to people suffering from cataract formation through free cataract surgery
- Targets the remotest parts of Odisha and Jharkhand to reach the needy

A collaborative partnership with eye hospital mahanadi Netra chikichalaya

Working together to light up the lives of the people in need

Care Netram is now working in close collaboration with **eye hospital Mahanadi Netra Chikichalaya, Bargarh district Odisha** to **facilitate cataract surgery and restore vision of rural people.**

EMPOWERING THE SPECIALLY- ABLED with good vision

Bringing smiles on their face!

Name: Sameer Ali

Address: Sunapali district of

Sambalpur

Age: 24 years

Sameer Ali, 24 years old specially-abled boy from Sunapali a small village of Sambalpur district of Odisha, got his eyes tested at his doorstep. He was offered an affordable pair of eye glasses to support his vision. He remains grateful to Care Netram team for supporting his life with good vision.

“ I will be ever grateful to Care Netram team for your support in times of need” - Sameer Ali

Restoring sight for the less privileged Changing lives for good

Name: Tota Devi

Address: Radhagaon, Bokaro,
Jharkhand

Age: 47 years

Tota Devi a 47 years old lady from village Radhagaon district Bokaro from the state of Jharkhand has been facing problem in identifying things from distance. She never had access to vision care or glasses in her village until she met Care Netram team. She was offered free eye testing and was provided with affordable eye glasses. She is now able to see things clearly from a distance.

**“Thank you Care Netram team for making vision possible for me”
- Tota Devi**

EMPOWERING INDIAN FARMERS WITH BETTER VISION

Helping them live a better life!

Name: Chatru Singh
Address: Chas, Bokaro, Jharkhand

Chatru Singh is a farmer, from chas (Bokaro) Jharkhand. However working at the fields had become a difficult task for him with visual impairment. For the first time, he got his eye tested at Care Netram camp. He was offered a pair of eye glasses which enabled him to have clear vision. He was on the verge of tears when he could see clearly through the glasses. He is thankful to Care Netram Team and helping him see again!

"Thank You Care Netram team" - Chatru Singh

Cataract stories that inspire

Restoring Sight Restoring Inspire

Towards a new dawn!

Name: Susala Sahoo

Susala Sahoo works on the field day and night to ensure crops grow well. She bore all the expenses of her family fairly well until vision impairment darkened her life. She learned about cataract formation in her eyes, however expensive surgeries discouraged her from getting the treatment done. Fortunately, she came to know about Care Netram team and opted to go for a free cataract surgery.

"Back to work without any worry! Thanks to Care Netram for showing me a new dawn" - Susala Sahoo

The Gift of sight!

Name: Anisha Khatun

Address: Cuttak

Age: 12

Young children strive for knowledge and education! Similar is the passion of Anisha Khatun of 12 years from Cuttack. She dreams big! She spends her time reading and writing. Unfortunately, she loses her vision due to cataracts at an early age. She saw her dreams shattered. However, her interaction with Care Netram team gave back her lost hope. She was provided with free cataract surgery and eye treatment. She is now able to see clearly.

“Vision is the best gift I have received! Now I can continue with my studies.

Thankyou Care Netram team”- - Anisha Khatun

Better **Vision** | Better **Life**
