## GOOD VISION GERMANY FOUNDER AND INDIA COORDINATOR VISITS OUR WORK SITE

The visit of [Good Vision](#) founder, Mr. Martin Aufmuth, and India Coordinator, Ms. [Antje Christ](#), to our work sites in Jharkhand, Odisha, and West Bengal was a momentous occasion. Their visit provided us with valuable insights into the work we do. Their commitment to creating sustainable solutions for eye care was truly inspiring, and we were honored to have them witness our efforts towards the same cause.

During their visit, Mr. Aufmuth and Ms. Christ observed the impact of our work on the local communities. They also met with our team members and beneficiaries to gain a deeper understanding of our approach and the challenges we face. Their feedback and suggestions will help us improve and expand our efforts in the future.

## NEW CARE NETRAM VISION CENTRE INAUGURATED

Our New Vision Center In Bokaro, Jharkhand Was Inaugurated By **Mr. Martin Aufmuth, Founder Of Good Vision Germany.**

The new Vision Center is a testament to our commitment to providing quality eye care services to underserved communities. It is equipped with state-of-the-art equipment and staffed with highly trained eye care professionals who are dedicated to delivering the best possible care to our patients.

# EMPOWERING THE NEXT GENERATION OF OPTOMETRISTS

## Care Netram signs **MOU with Arka Jain University, Jamshedpur** to Train and Develop Future Optical Professionals!

The collaboration between Care Netram and Arka Jain University, Jamshedpur marks a significant milestone. Through this partnership, aspiring optometrists will have access to world-class training through B.OPTOM course and get an opportunity to work with Care Netram for a better societal impact.

# MAKING A DIFFERENCE IN THE LIVES OF RURAL CHILDREN IN ODISHA

The camp provided much-needed eye care services to the rural children in Odisha and raised awareness about the importance of regular eye check-ups. 700+ school children in Odisha benefitted from free eye screenings & received vision supporting glasses.

## Clear Vision, Bright Future

### Story of Anita Gageranga, A Student at Kadama Ashram School

“

"I study at Kadama Ashram School Hostel, and from the last four months, I was struggling with my vision and finding it difficult to see things far away. However, due to my family's financial constraints, my father was unable to take me to the hospital for an eye checkup. Fortunately, Care Netram organized a free eye camp at my school. I am extremely grateful to Care Netram for their efforts in providing much-needed eye care services and offering me glasses free of cost."

# ADDRESSING VISION CARE NEEDS OF THE TRIBAL PEOPLE IN INDIA

Tribal communities of India are the most underserved communities. Access to primary vision care services is a luxury for them. Thus we at Care Netram are continuously taking steps to reach the unreached sections of the society and provide accessible and affordable vision care services.

## Story of Ramiti Dalabehera, A Tribal Woman

“

"As a poor tribal woman who performs traditional tribal dance, my far vision problem had severely impacted my ability to perform and earn a livelihood. However, my life changed when Care Netram conducted a free eye test at our Puttasing Pachayat. I received a comprehensive eye examination from their staff and was able to purchase affordable glasses right there, without any financial burden. Thanks to the assistance of Care Netram."

# SUPPORTING HEALTH & WELLBEING OF UNREACHED PLACES IN INDIA

## Eye Camp Organized At Balarampur village In collaboration with [ASHA Accredited Social Health Activist](#).

In collaboration with ASHA (Accredited Social Health Activist), an eye camp was recently organized at Balarampur village, providing free eye checkups and treatment to the local population. The camp aimed to raise awareness about the importance of eye health and to provide much-needed services to the underserved communities in the area.

In this eye camp, 40+ people got their eye checked up and 20+ people received affordable eye glasses.

## HAPPY BENEFICIARIES FROM OUR COMMUNITY EYE CAMP

The life of some rural people truly get transformed with just a **pair of glasses and restored vision!**

**Hear it from them...**

**Story of Ahalya Mallick,  
A Housewife**

“

"I was facing problems with my far vision for some time, but did not visit the eye hospital in fear of expense. I could not do my household work properly and stumbled many times. Thanks to care netram eye camp, I underwent a comprehensive eye test and found out my eye power. The staff provided me with suitable glasses, and after wearing them, I can see very clearly. I am glad that I visited the eye camp. It's like a miracle, I can now see clearly!"

# FOSTERING EYE HEALTH EQUITY: ADDRESSING THE NEEDS OF UNDERSERVED PEOPLE IN INDIA

Eye Camp Organized At Ratagarh, Bhubaneswar.  
The camp was inaugurated by [Help India](#).

The camp provided free eye examinations to 40+ patients who also received glasses at an affordable price. Of these patients, 25+ were diagnosed with cataracts and were referred to Vision Care Eye Hospital for free surgery. The locals were highly satisfied with the quality of service and arrangements provided at the camp, which proved to be a valuable resource for improving eye health in the community.

## REACHING OUT TO UNDERSERVED AREAS

### A **Free Eye Camp** was Organized at Khandagiribari, Odisha

We at Care Netram successfully organized a free eye camp at Khandagiribari, Odisha. 20+ attendees were provided with affordable glasses, while five were referred to a hospital for cataract surgery. The residents' high level of satisfaction and cooperation with the camp organisers was encouraging, indicating the importance of such initiatives in promoting eye health awareness and accessibility to eye care services in the community.

# GOOD VISION FOR GOOD LIFE

## Transforming Lives with Every Pair: **Sponsoring Cataract Surgery and Reading Glasses** for Those in Need!

By sponsoring cataract surgery, we are helping individuals to overcome one of the leading causes of blindness and providing them with the opportunity to regain their vision. Furthermore, by providing reading glasses, we are enabling individuals to carry out their daily activities with ease and efficiency.

# CARE NERAM ANNUAL VISION TECHNICIAN EXAM

The organization's vision technicians come together to test their skills and knowledge to **ensure quality care to patients.**

At our annual exam for GVTs ( Good Vision Technicians), our technicians takes an exam to ensure that they are providing the highest quality of care to our patients. It helps them stay up-to-date with the latest advancements in vision care. They also express their commitment to providing the best possible care to their patients.

## ANNUAL EXAM FOR GOOD VISION TECHNICIANS

Ensuring the Highest Standard of Eye Care  
Through Comprehensive Assessment

We Wish You All The Very Best!!
